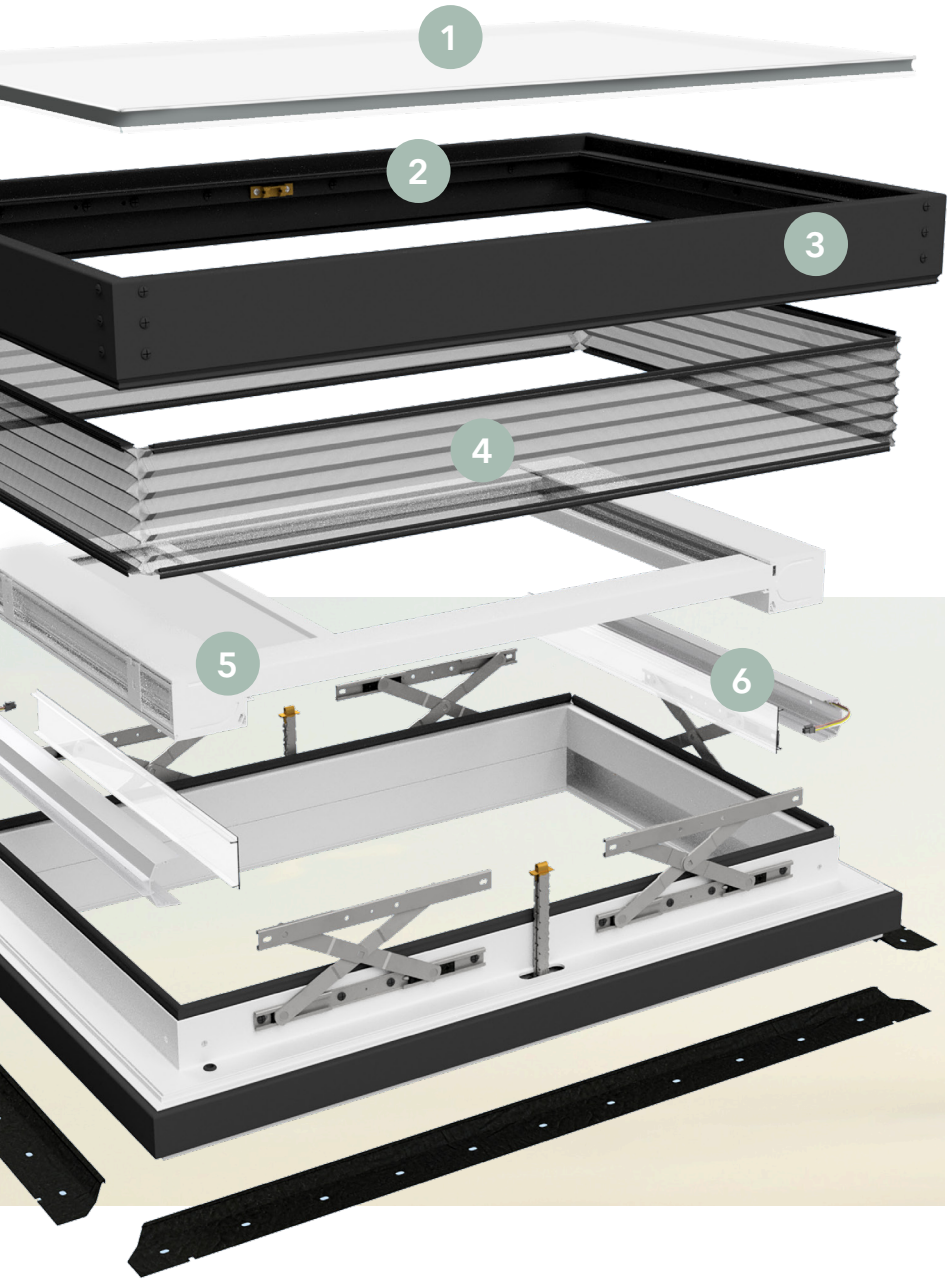
# AWAKEN™

# DISCOVER MARVIN AWAKEN SKYLIGHT

The Marvin Awaken Skylight was built to harness light and air in new ways. This smart skylight is the first to offer built-in, tunable lighting that mimics the ideal color temperature of natural light to provide the right light at the right time. Its unique, connected features make it easy to live better.



1

## GLASS

Flush glazing sheds debris and prevents pooling

2

## SLEEK DESIGN

Narrow sightlines provide more visible daylight compared to current offerings from other manufacturers

3

## FRAME

Fiberglass frame with stainless steel hardware

4

## HIDDEN SCREEN

Awaken's unique parallel projection only requires a screen around the perimeter of the frame, which results in a clear, screen-free view of the outdoors

5

## SHADES

Integrated room-darkening or light filtering shades available

6

## LIGHTING

Dimmable LED lights tunable from 2200k (comparable to light at sunrise/sunset) to 5500k (comparable to the sun at noon)

**MARVIN AWAKEN SKYLIGHT - OPERATING**
offers three unique options that can be added to the skylight a-la-carte: Projection venting, tunable LED lights, and motorized shades.

**MARVIN AWAKEN SKYLIGHT - FIXED**
provides design continuity for situations when it's important to match the aesthetics of operating skylights with non-featured units.

**MARVIN SKYLIGHT**
features a streamlined, low-profile frame without venting, lighting, or shade options.

## FINISHES

**EXTERIOR**

**GUNMETAL** **EBONY**

**INTERIOR**

**STONE WHITE**

## SPECIFICATIONS

| TEST | SKYLIGHT FIXED | AWAKEN SKYLIGHT FIXED | AWAKEN SKYLIGHT VENTING* |
|---|---|---|---|
| Air Test / PSF | .01 | .02 | .07 |
| Water Test / PSF | 7.5 | 7.5 | 6 |
| Structure Test / PSF | +100/-75 | +100/-75 | +80/-60 |
| WDMA Rating | PG50 | PG50 | PG40 |
| NFRC U-Factor | .4 | .4 | .47 |
| Solar Heat Gain | .26 | .26 | .25 |
| Visible Transmitance | .59 | .59 | .59 |

* Tested with Max CN width 32" by Max CN height 60".

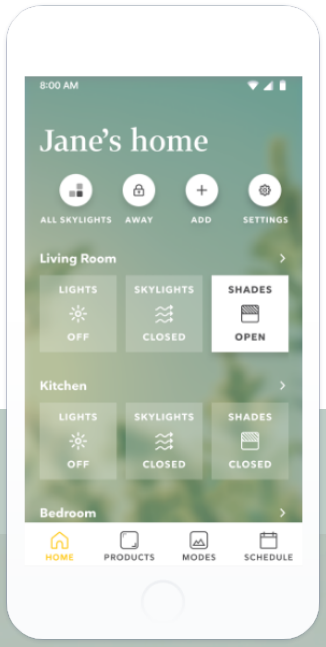
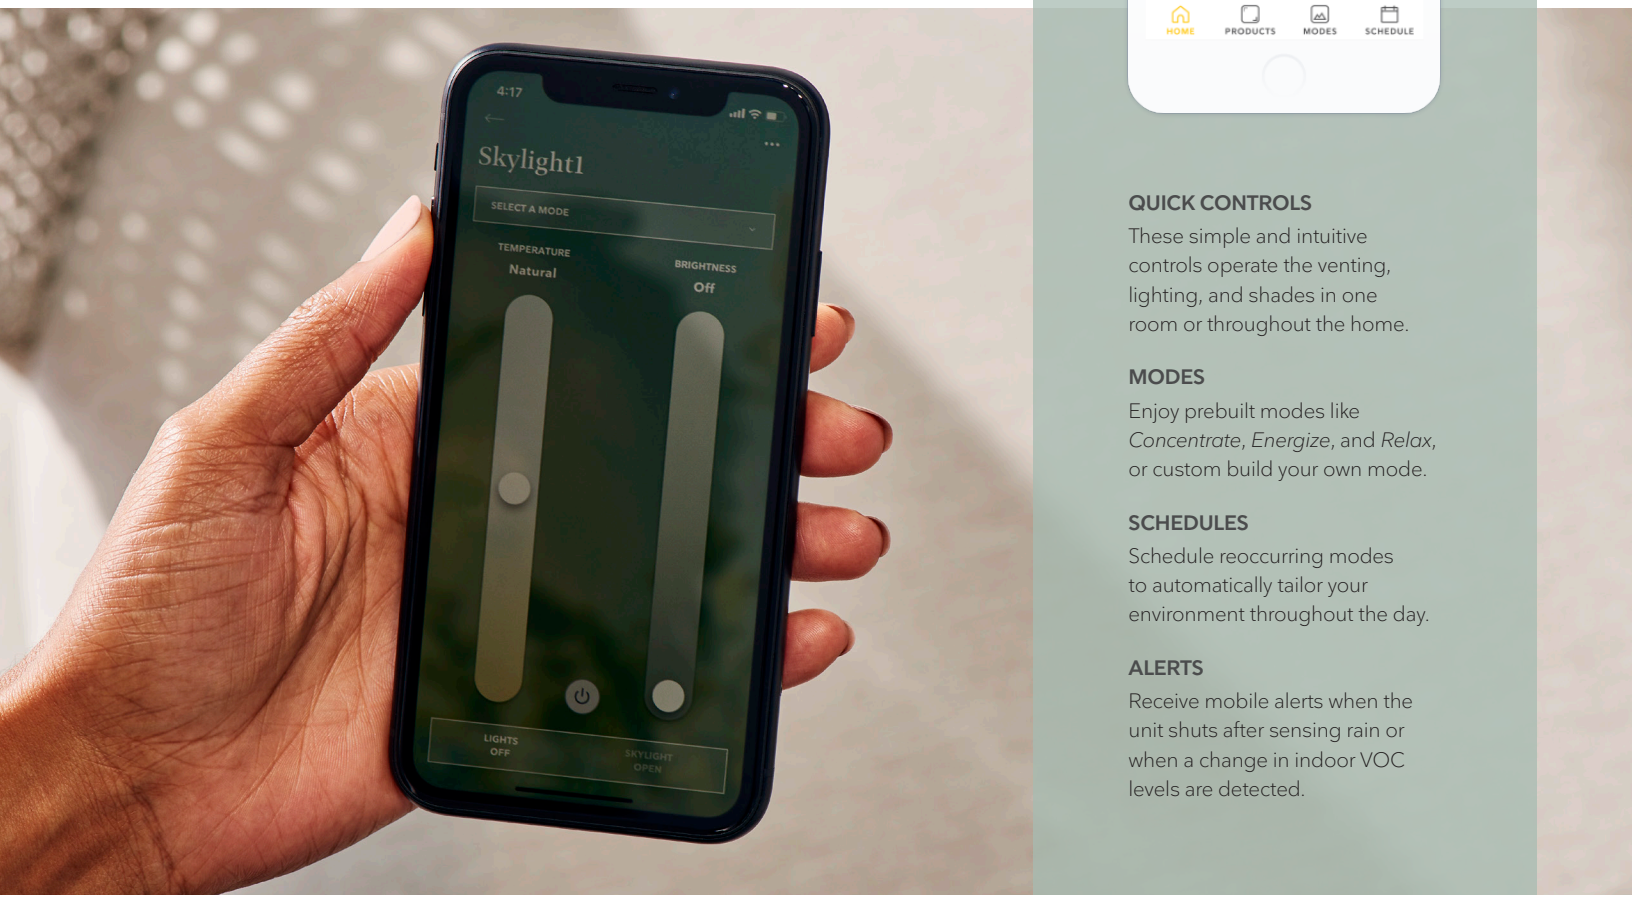
# WELL-BEING AT YOUR FINGERTIPS

Easily control the ventilation, lighting, and shading of your connected Marvin Awaken Skylight with a user-friendly app, wall switches, or smart home systems like Google Home, Amazon Alexa, and Samsung SmartThings.





### QUICK CONTROLS

These simple and intuitive controls operate the venting, lighting, and shades in one room or throughout the home.

### MODES

Enjoy prebuilt modes like *Concentrate*, *Energize*, and *Relax*, or custom build your own mode.

### SCHEDULES

Schedule reoccurring modes to automatically tailor your environment throughout the day.

### ALERTS

Receive mobile alerts when the unit shuts after sensing rain or when a change in indoor VOC levels are detected.
