Fixed Skylight Systems

Deck-Mounted and Curb-Mounted

Transforming spaces into favorite places.

Why skylights?

Daylight is powerful. It helps create a warm, inviting space while improving our overall well-being and decreasing our dependency on electricity. Skylights provide abundant daylight and fresh air, transforming the look and feel of an entire home. We're often asked, "Why skylights?" But with endless benefits to installing more natural light, the question should really be, "Why not skylights?"

Why VELUX?

For over 80 years, VELUX has pioneered the roof window and skylight market. Our focus has always been on creating the highest quality, most energy-efficient daylight products available. Take advantage of our experience and reimagine your home in daylight with VELUX skylights.

Ambient Light
Light reflects off walls and floors to give your space a soft, glowing look and feel.

Privacy
Your skylight looks up, protecting your home's privacy down below.

Lower Electric Bill
Turn off more lights in your home by soaking up free light from above.

Unique Design
Add the finishing touch by pairing your skylight with designer shades.

Visually Expand
With endless amounts of sky views, your skylight can visually expand the look and feel of your space.

Meet your VELUX Skylight System.

The room-brightening skylight

The discreet nature of the VELUX fixed skylight offers endless sky views and dramatic transformations without obstructing your roofline.

1

Glass Skylight

The base of the VELUX Skylight System is our world-famous skylight! Fixed skylights have a clean, low-profile appearance that allows them to fit in on any roof.

5

Remote Controls

Pre-paired remote controls for shades are included in all Skylight Systems for easy set-up.

2

Solar-Powered Shade

The included room-darkening skylight shade is solar-powered and offers total light control, increasing the Skylight System's energy performance up to 45% (actual percentage varies by skylight model and size).

3

Weathertight Guarantee

VELUX flashing is required to create a weathertight seal around deck- and curb-mount Skylight Systems, as well as to qualify for our 10-year installation warranty. **Flashing kits packaged and sold separately.**

4

Standard Safety Glass

Our Standard Safety Glass is a laminated glass that is safe for out-of-reach applications. It is double-paned with an argon fill to help reduce unwanted outside noise while providing a clear view of the skies above.

Complete light control.

Solar-Powered Shade Pairing

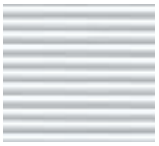
VELUX shades allow you to control the light, enhance your decor, and improve energy efficiency.

VELUX Skylight Systems include a **pre-installed Room Darkening, Double-Pleated Solar Shade** for the very best skylight experience.

- Solar-powered and remote-controlled
- Blackout cloth with honeycomb structure
- Neat pleats

In-Stock Shade[1] Standard with VELUX Skylight System models

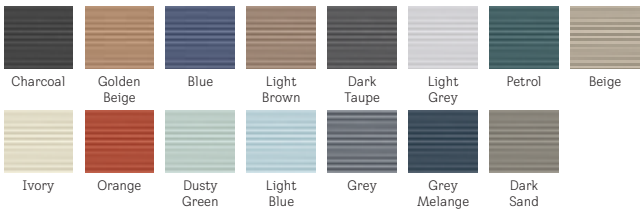
Room-Darkening Double-Pleated



White

Special Order[2] Ships seperately from skylight

Room-Darkening Double-Pleated



Light-Filtering Single-Pleated

Custom size FCM are available.

The VELUX Skylight Guarantee

Three patented layers of water protection work together to ensure your VELUX skylight will hold up in all weather conditions.

Our skylight warranty is our commitment that VELUX skylights installed with our flashing will stand strong in all types of weather. We're able to make this commitment with a 10-year installation warranty backed by our patented three layers of water protection on deck- and curb-mounted skylights.

Deck-Mounted

Curb-Mounted

1. **Pre-Attached Seal**
   Pre-attached deck seal (deck-mounted) or gasket (curb-mounted) provides a tight seal for leak-proof installation.
2. **Adhesive Underlayment**
   Adhesive underlayment for secondary water protection against the harshest weather conditions.
3. **Engineered Flashing**
   Engineered flashing for easy installation and primary water protection.

Transforming spaces since 1941. For over 80 years, VELUX has helped people envision and achieve the transformation of spaces using daylight and fresh air through the roof. Our product program includes skylights, Sun Tunnel® skylights, decorative shades and roof windows, as well as installation and smart home solutions. By creating brighter, healthier, more sustainable places to live, work, learn, and play we enable a better everyday life for people around the world. We work globally with sales and manufacturing operations in more than 40 countries and around 11,500 employees worldwide. The VELUX Group is owned by VKR Holding A/S, a limited company wholly owned by non-profit, charitable foundations (THE VELUX FOUNDATIONS) and family.
